11 years:	Speeds Towing Portland Oregon	Manager Started their heavy wrecker division

OUR EQUIPMENT

Side-lift trailers have been manufactured for over 33 years. One manufacture has been in business since 1879. There are over 3000 side-lift trailers operating in over 100 countries world wide. We calculate that side-lift trailers move over 1/2 million loaded containers per year. Side-lift trailers are used by the US Army.

SAFETY

We are well equipped to maneuver in the street and on your site with maximum safety.

Driver	High Visibility garments Radio communication Hard hat
Truck	Cab mounted beacons Work lights High visibility windows
Trailer	Load sensing hydraulics On board scales Low ground pressure outriggers Remote control cranes for better visibility Rear facing work lights Back alarm w/ rear facing strobe lights
